

Jack Sims introduction

Ladies and Gentlemen,

I would like to introduce you to our speaker Jack Sims, who is an expert in Growing businesses into Big Brands!

He has founded not 1 but 2 hugely successful companies and sold to Wall Street. His first was in his native Europe and the second right here in America. The company that he started out of his apartment in White Plains, New York grew to become the largest Marketing Agency in the America, with billings of \$350 million, and clients like Johnson & Johnson, Colgate Palmolive, Lever, Polaroid, British Airways, Nestle, General Foods, General Electric, and many more.

So get ready to take in an awesome amount of information that will help you create a BIG BRAND of your own

Ladies and gentlemen,

Jack Sims!
